## Storyboard for Esri Story Map Creation

Use the template below to create a storyboard for the text and images that will be part of your story map. Create rows in the storyboard below where each row represents a tab or section on the story map. A story map tutorial is located at the link below. The tutorial will walk you through account set-up to story map building and sharing.

Tutorial: <http://www.arcgis.com/home/item.html?id=d4a2705a8b224e71961404542ae94c6f>

To make your story map you will need to create an account on this site: <http://storymaps.arcgis.com/en/#> - choose the option to “create a free non-commercial public account to ArcGIS Online”
